

My family and I listen to KLOVE on 88.7. It is an inspirational family station. It is a station that I can listen to with my kids. I don't have to worry about language or inappropriate songs. The songs have a good message. This is an irreplaceable service. We don't listen to any local stations as it amazes me what songs and/or words are acceptable. Even the news heard on KLOVE is kid approved. I don't have to worry about them hearing anything that I don't want them to. Please don't take this away from me and my family.
Thank you.
